Rubber Redneck Quick Shots:

- Cut all your pieces.
- Score your Peekaboo Peach card stock on the $7 \frac{1}{2}''$ length at $2 \frac{1}{2}''$ and $5''$. Score your Peekaboo Peach card stock on the $9 \frac{3}{4}''$ length at $2''$ and $7 \frac{1}{4}''$. On the same length score at $2''$ and $7 \frac{1}{4}''$ down too the first score line rotate and repeat on the other side of the $9 \frac{3}{4}''$ length to create tabs on your Simply Scored Scoring Tool. Fold with the Bone Folder creating a card base.
- Cut out excess card stock and cut on scored lines to create tabs. Assemble the box.
- Score the Window Sheet on the $3 \frac{1}{2}''$ length at $\frac{1}{2}''$ and $3''$ on the Stampin' Trimmer. Crease fold lines good with the Bone Folder.
- Pinch the Fresh Fruit Designer Series Paper around the Peekaboo Peach card stock and adhere the ends together to create a belly band. Be sure to make it lose so it can slide off and on the box.
- Punch out one end of the Watermelon Wonder card stock with the Banner Triple Punch.
- Zip the Cucumber Crush card stock through the Big Shot with the Layering Circle Framelits to die cut it out. Then zip the circle through the Big Shot with the Sparkle Embossing Folder.
- Stamp your peaches from Fresh Fruit Stamp Set in Peekaboo Peach and Cucumber Crush Ink onto the Whisper White card stock. Use the Stampin' Pierce Mat to achieve crisp clean images.

- Create your title using the Labeler Alphabet Stamp Set; ink it in Tuxedo Black and stamp onto the peaches.
- Glue your tag pieces together and punch a hole at the top with the 1/8 Handheld Circle Punch.
- Secure the tag to the box with some Whisper White Thick Baker's Twine.
- Add Rhinestone Basic Jewels to the project.
