Rubber Redneck Quick Shots:

- * Zip the Cherry on Top Designer Series Paper through the Big Shot with the Star Framelits die cutting a star out in the center on one side. Save the star that is die cut out to use later on the project.
- * Zip the Whisper White card stock through the Big Shot with the Circle Framelits die cutting it out. Zip the die cut circle through the Big Shot with the Arrows Embossing Folder.
- * Punch out the cupcake top and bottom with the Tree Builder Punch.
- * Add Dazzling Diamonds to the project using the Fine Tip Glue Pen gives you more control over it.

Great little project to make for party favors that are fun for anyone! For example: Kids, co-workers, friends and etc.

To purchase all the supplies used to create this project visit my [Stampin' Up! On-line Store](#).
