Rubber Redneck Quick Shots:

- Cut all your pieces.
- Score your Basic Gray card stock ($5 \frac{1}{2}'' \times 8 \frac{1}{2}''$) at $4 \frac{1}{4}''$ on your Simply Scored Scoring Tool. Fold with the Bone Folder creating a card base.
- Apply ink to the Blushing Bride card stock with the Blushing Bride Ink Pad. This technique is called Direct to Paper Technique. So fun and easy to do!
- Zip the Basic Gray card stock through the Big Shot with the Happy Heart Embossing Folder. Glue to the Blushing Bride card stock on left side.
- Glue the Shine on Specialty Designer Series Paper to the Blushing Bride and Basic Gray.
- Punch the Watermelon Wonder card stock with Hearts Border Punch. Save hearts to use later on the project. Glue across the layers of card stock. Glue panel to front of Basic Gray card.

- Stamp the image from Suite Sayings Stamp Set; in Watermelon Wonder Ink and stamp onto Whisper White card stock. Attach card stock with Stampin' Dimensionals.
- Add a Subtles Designer Button (Blushing Bride) to right side of card with a Glue Dot. Place Rhinestone Basic Jewels randomly onto card. Add some of the little Watermelon Wonder hearts with Glue Dots randomly to the card front.
- Do the Direct to Paper Technique again to the Blushing Bride card stock.
- Punch Watermelon Wonder card stock with the Hearts Border Punch. Glue to the bottom of Blushing Bride card stock.
- Glue Blushing Bride to inside of the card.
